ARUN RAMESH METI

+91 9902564609 | arum.r m@campusuvce.in | LinkedIn | GitHub

OBJECTIVE

Curious learner with strong problem-solving and backend skills, aiming to contribute effectively through teamwork and practical, reliable solutions.

SKILLS

Technical Skills: C, C++ Programming, HTML, CSS, JavaScript, EJS
Tech Stack: NodeJS, ExpressJS, MongoDB, MySQL, Postman API
Tools: VS Code, Git, GitHub, Firebase
Core Skills: DSA, OOPs, DBMS, Operating System, Computer Networks

PROJECTS

TPOventory | Node.js, Express, MongoDB
Developed a Progressive Web Application for managing logistics and assets in the Placement Office, with features like CRUD operations, real-time asset status, role-based access, item/stock requests, location, logs and brand quotation tracking.

Digital Closet | | HTML, EJS, CSS, JavaScript, ExpressJS, NodeJS, TailwindCSS, MySQL
A full stack application for streamlined wardrobe management, offering personalized outfit suggestions, item usage insights, and sustainable options like recycling and donating. Community features, such as clothing exchanges, promote reduced consumption and an eco-friendly lifestyle.

Notiq | HTML, CSS, JavaScript, ExpressJS, NodeJS, TailwindCSS, EJS, MongoDB
Developed a note-taking and documentation platform supporting markdown editing and file uploads, with role-based authentication for students and admins. Built an admin dashboard for content management, categorization, and template-based suggestions integrated with Gemini API for AI-powered note generation and summarization.

EDUCATION

University of Visvesvaraya College of Engineering [2022 – 2026] 8.5 CGPA
B.Tech in Information Science and Engineering

Oxford PU College [2020 – 2022] 96.3%
Pre University in Science (PCMB)

Adarsha Vidyalaya [2017 – 2020] 95.2%
SSLC
